

Genetic Edge XIX Sale Report

March 8, 2014

The 19th Annual Genetic Edge Sale took place Saturday, March 8, 2014 in conjunction with the Houston Livestock Show and Rodeo. The haltered event featured both Red and Black Brangus heifers, semen and embryo lots.

The highest selling Red Brangus lot was Lot 5, CX Ms Legends Dream 23/A1, consigned by Cox Excalibur Brangus of Katy, TX. The heifer brought \$8,500 for full possession with Cox Excalibur retaining one flush right.

Also consigned by Cox Excalibur Brangus, a package of six embryos of Miss JHR 412/4 x CX Payloads Meathouse 930/U sold for \$7,000.

Three embryos were offered from TRIO's MLS Zamy 175Z2, the Grand Champion Red Brangus Female in the Houston Open Show, which sold for \$5,250.

A package of six embryos from the Reserve Grand Champion Red Brangus Female, BKC Rumor Has It 307 A, went for \$6,500.

At \$100 a piece, two buyers purchased 25 straws of semen from the Reserve Grand Champion Red Brangus Bull, BKC Almost Famous 204A3.
