Abbey Ivey, Tanner Miller, and Claire Smart are the senior scholarship recipients. Trey Ivey, Phillip Matocha, Nicholas Matocha, and Molly Parker are the junior scholarship recipients.

IRBBA Scholarship and Foundation Committee Chairwoman Tracee Buffaloe-Price said the 2018 scholarships total over \$14,000.

“This group of applicants was top notch – some of the best we have received to date,” said Price. “We are pleased to award them scholarships!”

A fundraiser event will be hosted by Triple JR Cattle Company this fall. Each of the 2018 recipients will be recognized during the event’s program.

The International Red Brangus Breeders Association (IRBBA) is a regional association of the International Brangus Breeders Association. The two associations share common objectives in advancing the quality, reliability, and value of Brangus cattle, Red and Black, for the beef industry. The IRBBA is comprised of breeders who produce and market 3/8 Brahman by 5/8 Red Angus registered cattle. The IRBBA exists to provide marketing avenues for registered Red Brangus cattle within the continental United States, as well as tropical areas around the world. Registration of cattle, administrative functions, and Total Herd Reporting are accomplished by the IBBA. For more information, visit <http://redbrangus.org/>.
